Make-up work for any missed days:

Access the Student Manual for 121 Book of Mormon through the "Institute Courses & Manuals" link on <http://institute.lds.org/> or [www.ldsces.org](http://www.ldsces.org) and clicking on "Institutes of Religion" then "Institute Courses & Manuals."

Read the Chapters covered on the day you missed as well as the accompanying scriptures. At the end of each chapter there are "Points To Ponder." Choose two from each chapter missed (4 total) and e-mail your thoughts to Brother Sullivan or print out a hard copy to give to him the next week.
